Don't copy. Lead.

## Digital Copier/Printer

The e-STUDIO™161 is the new compact Digital Copier/Printer from Toshiba. This multifunction device is designed for small businesses and workgroups, offering exceptional copying and printing in a small business environment. It produces an impressive copy image quality at 16 pages per minute. Ledger size paper capabilities enhance its versatility. And with the first Preventive Maintenance at 50,000 impressions, it produces reliable, high quality output—presentation after presentation.
